

Suffield Permanent Building Commission

June 2, 2015

To: Kathy Dunai, Suffield Town Clerk

From: Joe Sangiovanni, Chairman

Since there is no urgent business for the PBC at this time and the KML projects are progressing on schedule without major problems at this time, the PBC will not meet on Thursday, June 4, 2015.

However, the PBC will have to meet on Thursday, June 18, 2015 to review and approve several requisitions for payment for the KML projects.
